

Our Process for Delivering Quality Translation Services

How we Deliver accurate translations on time, every time

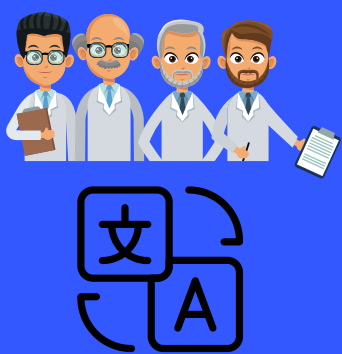

1.) DOCUMENT UPLOAD

Customer uploads a copy of the document that needs to be translated, specifying the source and target language as well as any specific considerations for the request

2.) PROJECT ASSIGNMENT & PRICING

The price is then quoted by one of our professional project managers and delivered to the customer. If the customer agrees, the project manager moves forward with managing the project from start to finish.

3.) TRANSLATION

Taking into consideration the subject matter of the request, we assign a translator from our team that has expertise in the subject matter of your request. This request is 100% human translated by members of our team.

4.) EDITING

After initial translation, the document is edited by another member of our team fluent in the target and source language to ensure the best quality.

5.) PROOFREADING

After the translation has been edited, it is extensively reviewed for errors. We consider localization to be of the utmost importance and make sure that the final document takes into account the intricacies of the target language

The Document is Ready for Delivery!
